

LED LINEAR SERIES

PRODUCT FEATURES

Dolphin Lighting's LINEAR SERIES is a flexible option for those looking to customise their lighting.

Our Linear Series can be simply used as individual lengths, or connected together to provide continuous lighting. Coupled with corner profiles, there are unlimited design options. Light configuration can even be changed or added to as the lighting requirements change over time. The LINEAR Series' versatility is further enhanced with dimming, Dali control integration and emergency backup options.

The simplicity of the designs with surface mounted or ceiling suspended options allow for limitless applications.

- Black, white or silver aluminium finish
- Triac, 1-10V or Dali dimming
- Optional emergency backup
- Flicker-free, Boke driver
- Standard opal beam angle 110°
- High lumen output from Edison LEDs
- High performance optics and uniform light distribution
- Surface mount or ceiling suspended options
- Available in 600mm, 900mm, 1200mm, 1500mm, 1800mm, 300mm corner

Product specifications

SPECIFICATIONS	LINEAR SERIES					
62mm x 80mm x	600mm	900mm	1200mm	1500mm	1800mm	300mm Corner
Code	LINEAR-600-15W-_K	900-20W-_K	1200-30W-_K	1500-40W-_K	1800-50W-_K	CNR-15W-_K
Colour temperature	3000K, 4000K, 5000K					
Efficiency	>100lm/w					
Light source	Edison LEDs					
CRI	≥80 Ra					
Beam angle	110°					
Dimming	Optional Triac, 1-10V, Dali					
Driver	Boke, Flicker Free, PF: 0.92					
Power requirement	AC200-240V ~50/60Hz					
Operating temp.	-25°C ~ 45°C					
Lifespan	50,000 hours					
Options	Emergency back up					
Accessories	Surface bracket, 1.5m suspension wire kit					
Warranty	5 Years					

*Numerous other standard and custom options available.
